

Find it Games Review ~ Oh Really, and VeggieTales Find It

"Founded by husband and wife partners, Bob and Lynn Knight in 2003, "[Find It® Games](#)" is the quintessential success story in the toy and game industry. What started as a fun family idea at the dinner table has grown into a business that has sold over 1 million units, and a brand name that is recognized by the best specialty retailers in the industry."

As you all know by now, my family loves to play games 😊 So I am always happy to welcome new ones into our game nights.

Oh Really

"The Lively Game of What Matters Most! Opinions count as players try to guess how their friends really feel about what matters most. From the seemingly trivial to the highly debatable, "Oh, Really!" reveals players' true feelings about everything from "Emotions" to "Underwear". You'll be rolling with laughter and caught by surprise when players rank 5 random items based on their own priorities. Then just when you think you have someone figured out, they rank "Makeup" ahead of "Memory", making you exclaim "Oh, Really!". Ages 10+ Players: 3-8 (or teams)"-Find it Games

I Love this game. It is really fun to see what people choose in order of importance. It is always fun to see how little or how much you know about someone and what they will pick. We have played this with many of our friends and family and it is a hit every time!

This is a great game for kids, they love searching for the items inside. It is really nice for times when you would like quiet, for example: in the car or waiting at the doctors office, etc...I love that all ages can enjoy this game.
