

Win a Find It Game

You can kiss "Are we there yet?" goodbye with this game that will keep your kids entertained for hours. This hand-held scavenger hunt lets you search for objects and characters from the VeggieTales collection and use the scorecard to keep track of what you've found. Two Chicago Parent readers will win this roadtrip take-along.

To enter, tell us about a discovery you and your kids have made together.

This contest closes on Friday, June 03, 2011
